

# Köttermann References

March 2021

You have the lab rooms.

We set them up with the highest quality, custom-made according to your specifications.

Laboratories international

# International Top 10 paint manufacturer

Laboratories for the production of paints

Location: -- Size: 4,500 square metres

Year of realisation: 2020

International Top 10 paint manufacturer

# Shell Technology Centre, The Netherlands ❖ Köttermann

Research Laboratory

Place: Amsterdam / Size: 3.500 square meters

Year of realisation: 2017

Shell Technology Centre

# SIBUR, Russia

Mineral oil companies

Place: Moscow / Size: 1.200 square meters

Year of realisation: 2019

SIBUR, Russia

# Nazarbayev University, Kasachstan

Laboratories for the Faculty of Biology, School of Engineering

Place: Astana / Size: 8.000 square meters

Year of realisation: 2015/16

Laboratories Germany

Laboratory for research and contract work of the Institute of Environmental Technology and Energy Economics

Place: Hamburg-Harburg / Size: 700 square meters

Year of realisation: 2020

Hamburg University of Technology

# Ludwig-Fresenius schools

chemistry and galenics laboratories for vocational schools

Place: Dortmund / Size: 1.000 square meters

Year of realisation: 2019

Ludwig-Fresenius schools

# Spessart Gymnasium Alzenau

Laboratory for chemistry preparation

Place: Alzenau / Size: 80 qm square meters

Year of realisation: 2020

Spessart Gymnasium Alzenau

Laboratory for research, teaching and treatment of the Radiation Clinic

Place: Erlangen / Size:

Year of realisation: 2020

University Erlangen

# Continental Reifen Germany GmbH

Laboratory for the automotive supply industry

Place: Hanover / Size: 200 square meters

Year of realisation: 2016

Continental Reifen Germany GmbH

# Münzing Chemistry GmbH

Laboratory for the production of paints and varnishes

Place: Abstatt / Size: 1.000 square meters

Year of realisation: 2014

Münzing Chemistry GmbH
